

Chickamauga Chase 15k

USATF # GA07007WC

Location of Mile Markers

Each mile, 5k, 10k and 7.5k are marked with a single washer, on both sides of the road. Do *not* confuse these marks with the Marathon mile markers, which are marked with two washers on both sides of the road.

The runners have full use of the road, from one edge of the pavement to the other.

Start: On Glenn-Viniard, roughly one-tenth mile East of the entrance to the Wilder Tower Parking Lot. Mark is exactly 278 feet East of the large stone culvert which allows the creek to pass under the road.

1-mile: On Chickamauga-Vittatoc, roughly one-tenth mile before the horse unloading area. Mark is 22 feet past the metal "Harker's Brigade" sign, which sits 15 feet off the left edge of the road.

2-mile: On Glenn-Kelly, immediately after the 1st of the two open fields on the left. Mark is 10 feet past the 3-foot high stone marker that sets 20 feet off the left edge of the pavement (at pulloff beside very large oak tree).

3-mile: On Alexander-Bridge Road, just 112 feet after crossing Lafayette Road, roughly aligned with the near edge of the 3-car parking area on the right.

5k: On Alexander-Bridge Road, roughly one-tenth mile after crossing Lafayette Road. Mark is 50 feet past the stone culvert that allows a small creek to pass under the road.

4-mile: On Alexander-Bridge Road, 90 feet before the 3-car parking pulloff on the right for Ingraham's Grave.

7.5 k: On Brotherton Road, just past Winfrey Field. Mark is 136 feet before the first cannon belonging to Howell's Georgia Battery, on the right.

5-mile: On Brotherton Road, 613 feet past the wooden "Bragg's Headquarters" sign on the right.

6-mile: On Jay's Mill Road, roughly one-tenth mile before intersection with Alexander Bridge Road. Mark is 82 feet before the metal "Deshler's Brigade" sign on right.

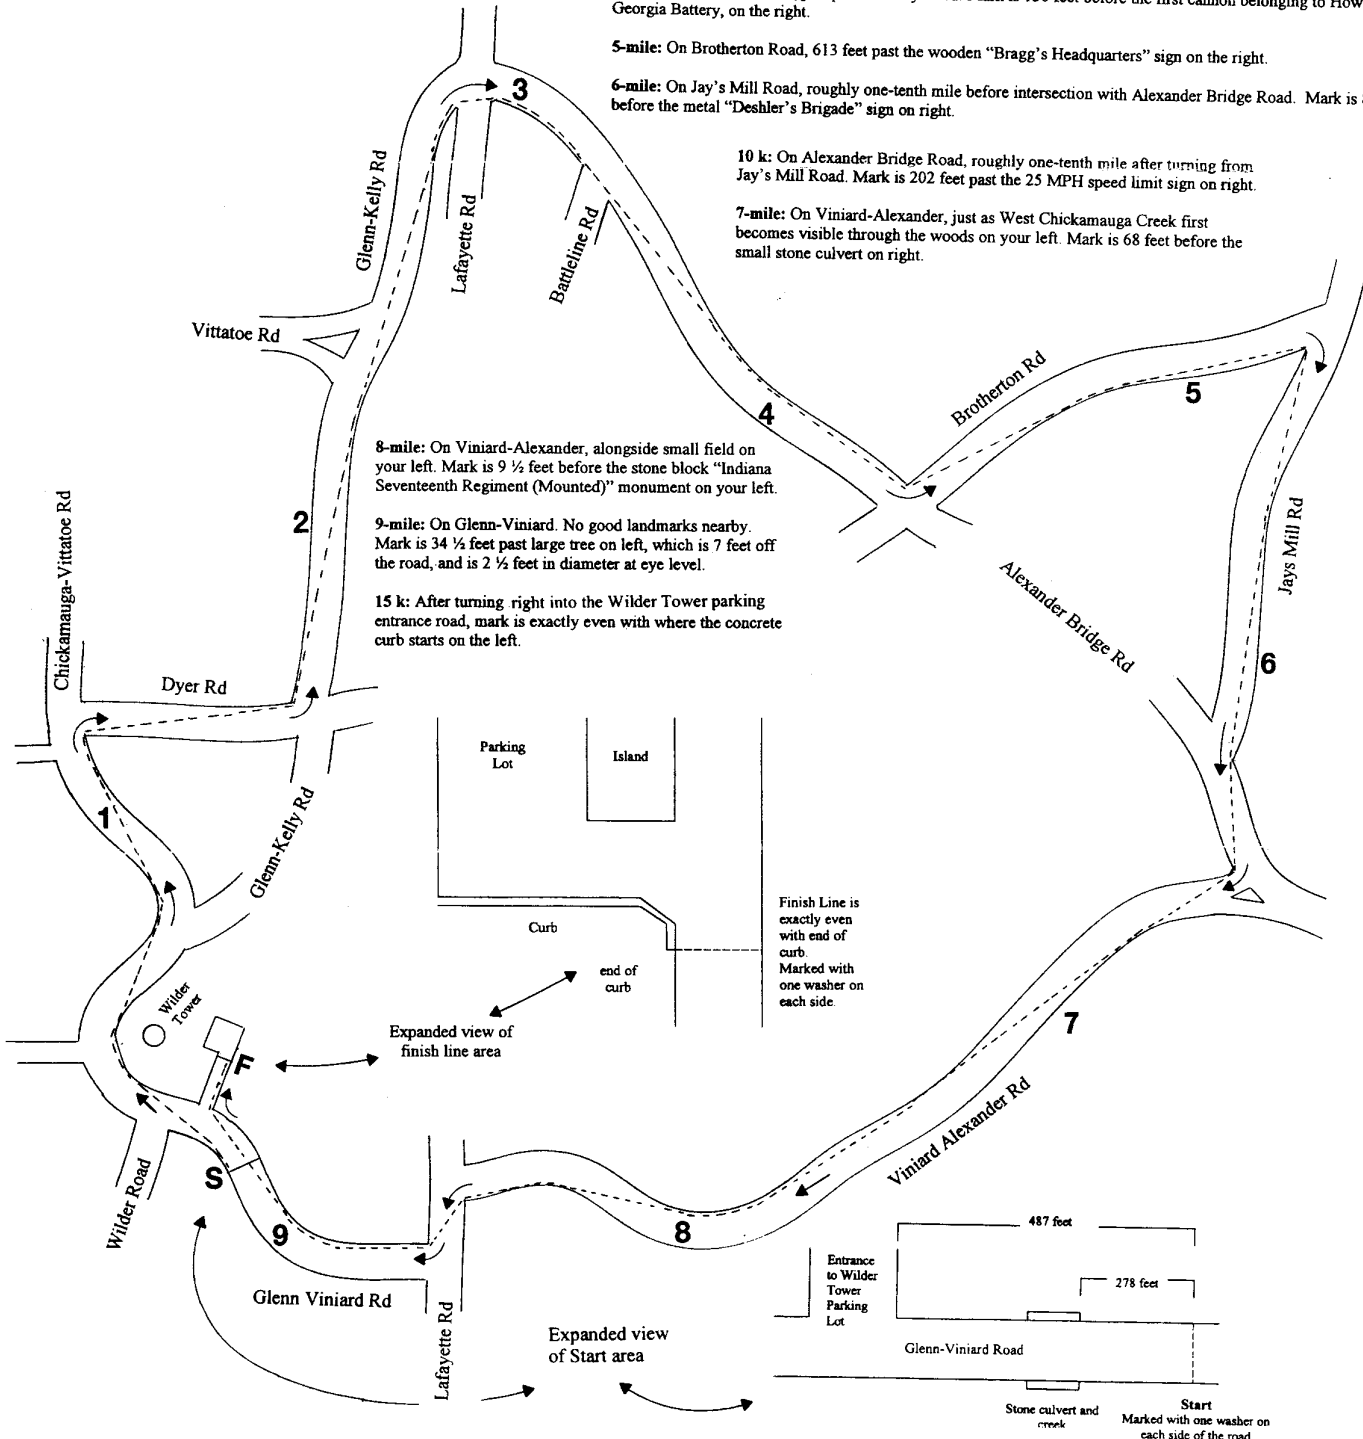

10 k: On Alexander Bridge Road, roughly one-tenth mile after turning from Jay's Mill Road. Mark is 202 feet past the 25 MPH speed limit sign on right.

7-mile: On Viniard-Alexander, just as West Chickamauga Creek first becomes visible through the woods on your left. Mark is 68 feet before the small stone culvert on right.

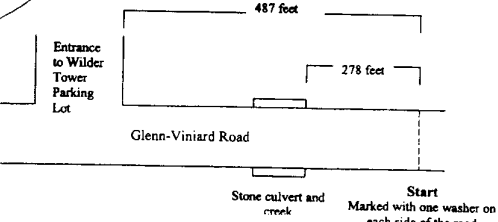

8-mile: On Viniard-Alexander, alongside small field on your left. Mark is 9 1/2 feet before the stone block "Indiana Seventeenth Regiment (Mounted)" monument on your left.

9-mile: On Glenn-Viniard. No good landmarks nearby. Mark is 34 1/4 feet past large tree on left, which is 7 feet off the road, and is 2 1/2 feet in diameter at eye level.

15 k: After turning right into the Wilder Tower parking entrance road, mark is exactly even with where the concrete curb starts on the left.

Finish Line is exactly even with end of curb. Marked with one washer on each side.

Notice to Race Director
 Use this Certification Code in *all* public
 announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a validation remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2017**
